We are excited to announce our partnership with [Rivet School](#), a nonprofit college program that helps working adults earn their college degrees. This collaboration provides our staff members with the opportunity to earn their AA or BA degree and develop the skills needed to advance their careers.

We believe that investing in the education and development of our staff members is key to building a strong, thriving organization. That's why we're proud to partner with Rivet School and offer our employees the chance to pursue their academic goals while continuing to excel in their current roles.

Rivet School's personalized approach to education includes 1:1 coaching, project-based learning, and access to a variety of career resources to help students achieve their academic and professional goals. With flexible scheduling and individualized support, Rivet School makes it easy for working professionals to balance their education with their other responsibilities.

Whether you're just starting your academic journey or looking to take the next step in your career, Rivet School offers the resources and support you need to succeed. We encourage all of our staff members to learn more about this exciting opportunity and take the first step towards earning your degree with Rivet School by filling out an interest form [here](#).
