

Who to Refer to Rivet School

Last Modified on 11/07/2023 12:52 pm PST

Who is a good fit for Rivet School? While we'd love to have a conversation with anyone who's interested in getting their degree and/or becoming a teacher, these are the individuals who would do best in our programs:

- Anyone with a high school diploma or GED
- Paraprofessionals/ instructional aides who do not yet have their BA
- School staff interested in earning a degree to increase their professional potential
- Individuals who need to be working while studying in the morning or night
- Students who work well with 1:1 coaching support
- Those who prefer self-paced, real-world projects over tests and exams
