

# When to Refer Students to Rivet School

Last Modified on 09/11/2024 1:51 pm PDT

Rivet School recruits 6 times a year. This flyer shows all of our [2024-2025 application deadlines](#).

We have deadlines every 2 months to ensure that staff can join when the time is best for them. If your staff member isn't sure when the best time to start would be, our admissions team can support them through making that decision. **Encourage your staff member to fill out [an interest form](#), and the Rivet School Admissions Team will reach out to share more information and answer any questions.**
