[Rivet School](#) offers [INSERT ORGANIZATION NAME] team members a clear, affordable path to earn a BA, prep for credentialing exams, and enter the teaching credential program of your choice. Rivet School's project-based program is flexible, supported, 100% online, and allows you to earn your degree on your own time, all while working full-time. You will work with a personal College Coach on your path to a BA and have access to career coaching, wellness resources, and other wraparound supports. Earn your AA and BA in as little as 2-3 years starting from scratch, or transfer in your previous college credits. Our coaches will then work with you to identify the best teacher credential programs and pass your teacher exams.
