

# Bilingual (English/Spanish) - PD Session Materials

Last Modified on 12/12/2023 4:04 pm PST

If you are interested in presenting about Rivet School to your team, staff, or community in English and Spanish, we have a collection of resources for you to use. If you do not want to have Rivet School's team host an information session for your site due to time constraints or limited availability of your stakeholders, you may choose to present about the program yourself.
